

Dear Heritage Thermal Windows,

On behalf of KEO & Associates, I want to express our sincere gratitude for the outstanding work you completed on the painting / restoration of the windows at the Port Huron Courthouse.

Your team demonstrated exceptional professionalism and expertise throughout the project. The quality of your work has not only enhanced the courthouse's appearance but has also contributed to its preservation and longevity. We appreciate your attention to detail and commitment to excellence.

Additionally, your prompt response in returning to address the punch list items was invaluable. It exemplifies your dedication to customer satisfaction and reinforces our confidence in your capabilities.

Thank you once again for your hard work and partnership. We look forward to collaborating with you on future projects and would happily recommend Heritage Thermal Windows to others in need of your services.

Warm regards,
